WEDNESDAY AFTER SCHOOL SKI & SNOWBOARD PROGRAM

Grades 4-5 join your friends and our crew of certified Crabbe Mountain ski and snowboard instructors for fun on the snow this winter.

The Crabbe Mountain Wednesday After School Ski & Snowboard Program is a unique, six week full service program which focuses on skill development, learning and FUN! This is an excellent way for your child to continue an active lifestyle during the winter months.

Snow School instructors will greet the children at designated Anglophone West District schools. The instructors supervise the students on the bus, at the ski area and on the ride back. They then stay with the students until they are picked up by parents at the designated drop-off areas.

Dates: Starting January 6th, 2021 to February 10th, 2021 with February 17th and February 24th as make-up dates if there are any cancellations. If program goes pass the two cancellation dates, another date will be set.

Please note: Due to Covid operational measures that are put in place, we had to limit the number of spaces available in the program and therefore it was has been decided to limit the number of designated schools that we would be picking up from for this season. To keep within our COVID measures we will only be accepting students from the designated schools listed below:

1. New Maryland Elementary
2. Priestman Street Elementary
3. Garden Creek Elementary
4. Gibson-Neill Memorial
5. Royal Road Elementary
6. Park Street Elementary

We encourage you to register as soon as possible as there will be only 52 students accepted in this years' program. We also like to thank parents for understanding the measures are are put in place during this present time.

Cost: \$315.00+hst = \$362.25

Includes: Ski/Snowboard rental, helmet (mandatory), lift ticket, approximately 3 hours of instruction per week, as well as supervised bussing to and from Crabbe Mountain. (*Please note there is no discounted price for those who have their own season pass or equipment.)

There will be NO REFUNDS if your child misses a day or is unable to participate on cancellation date(s). Crabbe Mountain does have a refund policy put into place if the program gets canceled due to COVID closures.

Bus #2-Between 5:50pm to 6:00pm at Garden Creek School; (for all Garden Creek students)

Bus#2-6:15pm at Priestman Street School; (for Priestman St School & New Maryland Elementary Students)

*Students will have time to eat their lunch when they arrive at the mountain due to COVID regulations on the bus children will not be able to eat on the bus nor will they have time at school at their designated waiting area. Cafeteria snacks may still be purchased at Crabbe Mountain only after instruction due to time restrictions and there may be limited options available to students this season due to COVID restrictions.

Students must have their own ski pants, warm jacket, warm ski gloves, hat and warm dry socks. Ski goggles would be an asset. As well, students may bring their own ski/snowboard equipment on the Trius bus, however parents should contact the school to confirm they can bring their gear to school. Keep in mind, students are not allowed to take skis/snowboards on Anglophone West District school busses to school in the morning.

If a student is being picked up by a non-family member, a note must be written by the parent/guardian to the Principal and the Crabbe Mountain staff. All students will return on the bus unless a note is presented by the School Administrator. This is for safety concerns.

CRABBE MOUNTAIN

The Wednesday After School Program will be postponed on Days that children's regular school is cancelled or if a possible storm could affect driving conditions at the time of return for the bus from Crabbe Mountain. The school will be contacted the morning of such an event. Days that are missed due to storm cancelations will be made up for further in the season.

We may require a parent volunteer to wait with students until the bus arrives at some selected schools as we may not have instructors to be able available to travel to every school. This would just be meeting the children as they are dismissed and gathered in an area within the school with the children until the bus arrives.
