

WEDNESDAY AFTER SCHOOL SKI & SNOWBOARD PROGRAM

Grades 4-5 join your friends and our crew of certified Crabbe Mountain ski and snowboard instructors for fun on the snow this winter.

The Crabbe Mountain Wednesday After School Ski & Snowboard Program is a unique, six week full service program which focuses on skill development, learning and FUN! This is an excellent way for your child to continue an active lifestyle during the winter months.

Snow School instructors will greet the children at designated Anglophone West District schools. The instructors supervise the students on the bus, at the ski area and on the ride back. They then stay with the students until they are picked up by parents at the designated drop-off areas.

****We will require some parent volunteers as this program is based on instructor availability. We will be looking for a parent to be at some selected schools as I may not have the instructors to be able to travel to every school. This would just be meeting the children as they are dismissed and gather in an area within the school with the children till the bus arrives.

Dates: Starting January 11, 2017 to February 15, 2017 with February 22nd and March 1st for a make-up days if there are any cancellations. If program goes pass the two cancellation dates, another date will be set.

Please note: There will be NO REFUNDS if your child misses a day or is unable to participate on the cancellation dates provided.

We encourage you to register as soon as possible as we only accept 110 students and this is a very popular program.

Cost: \$310.00+hst = \$356.50

Includes: Ski/Snowboard rental, helmet (mandatory), lift ticket, approximately 3 hours of instruction per week, as well as supervised bussing to and from Crabbe Mountain. (*Please note there is no discounted price for those who have their own seasonal pass or equipment.)

Students must have their own ski pants, warm jacket, warm ski gloves, hat and warm dry socks. Ski goggles would be an asset. As well, students may bring their own ski/snowboard equipment on the Trius bus, however parents should contact the school to confirm they can bring their gear to school. Keep in mind, students are not allowed to take skis/snowboards on Anglophone West District school busses to school in the morning.

If a student is being picked up by a non-family member, a note must be written by the parent/guardian to the Principal and the Crabbe Mountain staff. All students will return on the bus unless a note is presented by the School Administrator. This is for safety concerns.

The Wednesday After School Program will be postponed on Days that children's regular school is cancelled or if a possible storm could affect driving conditions at the time of return for the bus from Crabbe Mountain. The school will be contacted the morning of such an event. Days that are missed due to storm cancelations will be made up for further in the season.
